

# BODYGUARDZ®

## PURE<sup>®</sup> 2

### ALUMINOSILICATE TEMPERED GLASS

*BodyGuardz Pure 2, with Accessory Glass 2 by Corning, is an aluminosilicate tempered glass screen protector. Its core composition and optimized ion-exchange chemical strengthening process delivers superior performance over screen protectors made of soda-lime glass. Through Corning's proprietary fusion process, the glass is "born" strong and created at the desired thickness.*

- + Impact absorbing adhesive technology
- + Thinner, stronger glass
- + Precise cut edges
