SLIDEVUE™

CASE WITH SLIDING
FINGERLOOP / KICKSTAND

- ✦ Sliding strap has two positions
- ✦ Fingerloop doubles as a kickstand
- ✦ Folds flat into the case
- ✦ Wireless charging compatible
- ✦ Unequal® impact protection

With a quick, one-finger slide, SlideVue's patent-pending strap doubles as a secure fingerloop or kickstand for watching videos. SlideVue also uses a unique blend of clear, reinforced materials to show off the phone and absorb impact from drops. Its thin, protective profile makes it universally compatible for wireless charging phones.
