

Pure 2 EyeGuard™

Blue light blocking screen protection.

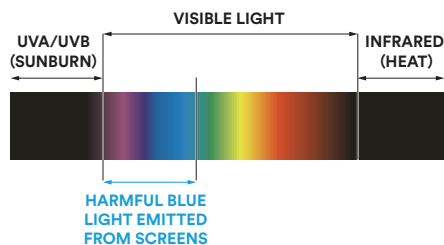

FREE Lifetime Replacements

SRP \$50.00 - \$55.00

According to The Vision Council, the high-energy blue light wavelengths emitted from our mobile devices can cause eye strain, fatigue and headaches. Pure 2 EyeGuard filters out up to 43% of harmful blue light - protecting eyes from digital eye strain, and protecting devices from drops.

WHAT IS BLUE LIGHT?

- + Blocks up to 43% of harmful blue light
- + Reduces digital eye strain
- + Case-friendly, edge-to-edge protection
- + Maintains clarity
- + Aluminum-infused, tempered glass
- + 9H hardness
