

**Exhibit 6 - Notice or Consent Form
NLU Products LLC dba BGZ brands**

NLU Products LLC dba BGZ brands collects data to operate effectively and provide better quality experiences. Below, you will find a list of our products, services, and processes that gather personal data, our purpose and legal basis for processing that information, who we share that information with, and how long we hold that information.

How NLU Products LLC dba BGZ brands uses Personal Data:

Product, Service, or Process

Description of Product, Service, or Process	The process is utilizing payment processors to capture payments.
Categories of Personal Data	Identifying Information Social and Contact Information Financial Data Tracking Data
Category of Data Subjects	Our payment processing tools handle payment information from our purchasing customers via our websites.
Purpose of Processing	We are using this personal information to be able to process and fulfill orders.
Legal Basis for Processing	The organization has a legitimate business interest in handling the information.
Automated Processing or Profiling	Automated processing occurs.
If Automated Processing is Used, Methods and Logic	The automated system takes user data and estimates any fraudulent risk, as well as passes it through intense security measures. It also verifies and calculates any additional taxes and fees to be added.
Decisions with a Legal Effect that Use Automated Processing	If the user's data is verified, we then proceed with payment capture.
Categories of Recipients who Receive this Personal Data	This information is shared with third parties that allow us to process payments, including credit card processors, Ecommerce platforms, tax calculators, and fraud check systems.
Whether the Personal Data is Transferred Outside of the European Economic Area	USA

Retention Period	We do not retain any customer credit card information.
Description of Product, Service, or Process	This process involves our marketing efforts to optimize the shopping process for our customers.
Categories of Personal Data	Identifying Information Opinions, Beliefs, or Personal Preferences Personal History Data Social and Contact Information Tracking Data
Category of Data Subjects	Our marketing efforts handle information from our existing customers, as well as prospective customers who have initiated interest in our products.
Purpose of Processing	We use the personal information to improve our marketing.
Legal Basis for Processing	The organization has a legitimate business interest in handling the information.
Automated Processing or Profiling	Automated processing occurs.
If Automated Processing is Used, Methods and Logic	The automated system takes user data from our websites and compares it to the user database (which contains data from thousands of users) to determine whether the user should receive advertisements for additional products. If the user's data matches the attributes of those who have purchased additional products in the past, the organization will advertise additional products to that user.
Decisions with a Legal Effect that Use Automated Processing	If the user's data matches the attributes of those who have purchased additional products in the past, the organization will advertise additional products to that user.
Categories of Recipients who Receive this Personal Data	This information is shared with third parties that allow us to fulfill orders, improve the customer experience, appropriately advertise our products to the right audiences, communicate with our customers, perform development optimizations, and provide appropriate storage.
